

To the Residents & Family Members of the Kempton of Charleston:

Thank you for choosing Southern Luxe Community Salons as your salon provider!

Appointment requests are made by the following methods:

Phone: call our scheduling service line at **1.800.543.9140**

Email: email your request to **kempton@southernluxesalons.com**

Scheduling Service: Our scheduling service is available Monday through Thursday 10am to 5pm. If you reach our voicemail system, please leave a detailed message with your name, community name and phone number so that we may return your call as soon as possible.

Payment is made by debit or credit card only: All salon and spa services and optional stylist gratuities are charged to debit or credit cards. Cash or Checks are not accepted.

To utilize the salon, residents must provide a card to save on file.

Residents and off-site families (applicable POA cardholders) must provide card information and service instructions by phone or in the salon, prior to setting the resident's first appointment. The card is kept securely on file, and receipts are emailed each time services are entered. You must provide an email to receive a receipt from Square Merchant Services.

Your First Service: For the first appointment, the stylist will ask questions to determine how you prefer to have your hair styled, so it may require a little extra time. It is helpful to know your preferred length, style direction and shape, desired amount of hold, preference for volume, curl, or smoothness, and if you prefer an overall natural or styled look.

Resident Family Members: if applicable, please call or email us directly to authorize service instructions, share photos and assign optional stylist gratuities. We share the weekly appointments with the community care staff each week for transportation service.
